Help Build the Legacy, One Brick at a Time!

A special brick wall of tribute is being erected as our gratitude for peoples' generosity in helping to make the Antique Caterpillar Machinery Museum a stellar example of an important part of history.

Your donation of a brick with your name engraved on a bronze plaque, placed in the middle of the brick, will help raise funds for making the Museum successful. These bricks also make thoughtful gifts for family members and friends.

Join us in supporting this important legacy by purchasing a brick today. Please complete the form below to reserve your brick.

Each Brick may contain three lines of text, each line composed of a maximum of 18 characters.

Please fill out the contact and payment information below and use the form to complete your inscription exactly as it should appear (spaces, punctuation marks, including periods after middle initials, and numbers are counted as characters). Questions? Please call Susan Patterson @ 503-252-0935.

RESERVE YOUR BRICKS TODAY!
